Re: End of Year 2023-2024 report

Date: 3 April 2023

The committee had three cases to decide this year.

- Each was reviewed by all members of the committee based on information gathered from the Provost's Office and the students in question.
- Votes were gathered and each case was unanimously denied.
- A letter informing the students of the committee's decision was sent to both the student and the Provost's office.

Respectfully Submitted,

Catherine Wright, Chair
